Ref. No.: 2022/Feb/13

9 February 2022

Dear Parents and Guardians,

SCHOOL-BASED ASSESSMENT PLAN FOR 2022 – PRIMARY 6

Assessment is an integral part of teaching and learning. We use the information gathered from assessments to improve students' learning and teachers' instruction. In Angsana Primary School, we are committed **to nurture the whole child and focus on 'learning for life'**. Our teachers will focus on deepening learning in the classrooms, nurturing in our students stronger intrinsic motivation to learn, as well as helping our students to develop dispositions for lifelong learning.

In order to ensure a balanced and learner-centred assessment system, our teachers will use a variety of assessment modes that are fit-for-purpose to support the holistic development of your child/ward throughout the year. They also use the information obtained from assessment to adjust their teaching plans to better cater to students' learning needs and to achieve the desired learning outcomes. Annex A outlines the coverage of the school-based examinations for this year.

It is important that you encourage your child/ward to focus on learning and not whether the assessment is counted towards the overall subject results or not. You can partner the school by affirming your child's/ward's efforts and progress made, as well as inculcating in your child/ward good study habits such as completing assignments in a timely manner.

Absence During School-Based Assessment

For the well-being of your child/ward and in the interest of all our students, we encourage you to exercise social responsibility by keeping your child/ward at home if he/she is unwell. Students who are unwell should seek medical attention and obtain a valid medical certificate from a certified medical practitioner to be excused from the assessment.

With the exception of the oral examination, there will be no make-up session(s) for any component or paper which students have missed during the Mid-Year Examination and End-of-Year Examination / Preliminary Examination. Marks will be pro-rated for students who miss any component or paper provided they have a valid medical certificate.

We thank you for your partnership with the school in developing your child/ward. Please feel free to contact your child's/ward's Form Teachers at 6783 0427 or write to us at angsana_pri@moe.edu.sg should you require further clarification.

Yours sincerely,

Ms Foong Yin Wei
Principal
